

Line Card

Manufacture of innovative HVAC equipment for commercial, high-end residential and industrial environmental control applications

Manufacturer of Indoor Air Quality products

Petra Engineering Industries Co.
Design and manufacturer of HVAC equipment

Manufacturer of Pre-engineered and Custom Designed Air Handling Equipment

Manufacturer of air handling, heating and heat-recovery, cooling, dehumidification and high-end custom paint booths

Manufacturer of paint booths, spray booths, finishing booths, powder booths, air makeup units, mixing rooms, waterborne systems, batch ovens and accessories

Gas fired high and low intensity heaters for commercial or industrial heating

Leading server cooling equipment manufacturer in the USA

Air Filtration Equipment, Purifiers and Cleaners, Exhaust Hose Reels, Source Capture Arms, Dust Collectors, Exhaust Fans, Louvres Exhausters, Fume Extractors, Hoses and Adapters

Full line of acoustical solutions

Spiral silencers, acoustical panels and enclosures

Supplier of grease ducts, energy management systems, pollution control units, make-up air units and exhaust fans

Special Performance Engineering Capabilities
Environmentally-Friendly
Evaporative Cooling Products

Manufacturers of Exhaust Eliminating Systems

Manufacturer of AC Drives and Soft Starts

Providers of proprietary energy recovery and dehumidification heat pipe systems

Design, manufacturing and application of dust and mist

 <p>ICE INDUSTRIAL COMMERCIAL EQUIPMENT MANUFACTURING LTD. Provider of heating, ventilation and air-conditioning solutions</p>	 <p>SAP SUPERIOR RADIANT PRODUCTS</p> <p>Manufactures a full range of gas fired, high and low intensity infrared space heating equipment</p>
